Spatial thinking is one of the most important skills that students develop as they learn geography. Develop awareness of the physical features of Earth, and knowledge of boundaries with this assortment of printable worksheets on the seven continents of the world designed for kids of grade 2 through grade 5; featuring 7 continents chart, flashcards, continent fact cards, and activities like identifying, coloring and labeling the continents, completing the legend, matching countries to continents, continent research projects, crossword, riddles, reading comprehension to mention a few. Jump-start preparation with our free worksheets! The Seven Continents | Chart Bring in a globe and spark curiosity. This captivating chart pdf is sure to grab the attention of kids and assists them in identifying the continents and learning their names and spellings with ease. 7 Continents of the World | Flashcards Kids remember pictures better than words. Increase the recalling ability of kids by adding the name alongside the continent. Cut along the dotted lines and create these continent flashcards. Seven Continents | Fact Cards Incorporate this printable anchor chart or cut out individual units of each continent, comprising interesting snippets of information and facilitate active recall among grade 3 and grade 4 kids. Enhance memory with repetition of names and facts. Locate and Color the Continents Familiarize 2nd grade kids to figure out the seven continents on the world map and color each one following the color key provided. Kids learn a vital skill of locating places on a map. Label the Continents | With Word bank Equip kids of grade 2 and 3 with this label the continents worksheet and work on recognition tasks. Kids use the names of continents presented in the word bank to complete the labeling activity. Continents of the World | Labeling Each continent is marked and depicted with a letter. Instruct 3rd grade and 4th grade kids to identify the continent and write its name against the letter that represents it to complete this evaluation activity. Color and Label the continents | Complete the Legend Engage and motivate elementary school kids with this printable worksheet. Direct kids to identify and label the continents and color them using colors of their choice and practice completing the legend or key as well. Unscramble Continent Names | Mark the Continents Hone spelling skills with this unscramble the continents pdf worksheet. Use the trial-error method, rearrange the letters to unscramble the names of the continents and number the continents on the map. 7 Continents | Crossword This easy-to-solve puzzle improves thinking and processing time in grade 3 kids. Build observation skills and vocabulary as kids look at the picture, identify the continent and write its name in the continent crossword grid. Match the Country to the Continent The countries are listed in one column and the continents in the other. Which continent does this country belong to? Answer this question and draw a line from the country to the continent and connect them. Match the Continents to its facts Read important facts about the continents and identify the continent described. Make one-to-one correspondence between the continent and its description using this continent matching activity PDF. Continents | Fill in the blanks Listed out in this printable fill in the blanks worksheet for grade 5 children are the main points for recapitulation. Read each sentence carefully and plug in the missing word(s) from the word bank. Seven Continents | Riddles Children of 4th grade and 5th grade become aware of how to solve riddles by reading the clues that are written describing the continents and guess the name. Review interesting facts about the continents in the process. Continent Research Writing Project Travel the seven continents, explore and dig deeper to find out some special facts about each continent. The questions in the template help children to research and find out the facts pertaining to each continent. The Seven Continents Reading Comprehension Promote reading habits with this passage pdf on seven continents. Follow-up with post-reading questions to encourage classroom interaction and assist kids in reading, enjoying and appreciating the text. North America What stands out about North America is its diversity and promise. Its resources are huge and culture awe-inspiring. Read all about North America, and answer questions that test your global reading and analytical skills among others. Your kindergartener or first grader will fear no map with help from this Label the Continents worksheet. With a colorful, inviting map of the world and labels for each continent at the ready, this handy map is the perfect introduction to beginning geography.
